*"We envision a society in which people with a history of alcohol or drug problems, people in recovery, and people at risk for these problems are valued and treated with dignity and where stigma, accompanying attitudes, discrimination, and other barriers to recovery are eliminated. We envision a society in which substance abuse and addiction is recognized as a public health issue, a treatable illness for which individuals deserve treatment and in which high quality services for alcohol and other drug problems are widely available."*

Center for Substance Abuse Treatment*

## **We believe that:**

- All human beings are unique, valuable, worthwhile, and deserving of respect.
- Alcohol and other drug abuse affects everyone.
- Alcohol and other drug abuse can be prevented and treated.
- Alcohol and other drug abuse services should be easily accessible and available to everyone.
- It is essential that services be individualized to the person's identified needs.
- Alcohol and other drug information and education can assist people in making positive choices.
- There is hope.

## **Community Programs**

### **Community Awareness and Support**

... provides an array of services that empower and support individuals, families, and communities to make informed choices regarding their use of alcohol or other drugs. These services heighten awareness and improve understanding of alcohol and other drug use within our community.

- Substance Abuse Prevention and Education
- Information and Referral
- Community Outreach
- Support Networks

**24 Hour Crisis Line**  
**262-524-7920**

Information and referral for  
emergency care 24 hours a day.

*All services are provided  
confidentially.*

## **Family & Client Services**

### **Family and Client Assessment**

... addresses specific needs of families and individuals through clinical interview and testing to identify alcohol and other drug abuse problems and connect consumers to appropriate care.

- Screening
- Assessment and Referral
- Intervention
- Case Management
